The Google Slides Screen

Slides Fundamentals

[Create a Presentation from Google Drive:](#) In Google Drive, click the **New** button and select **Google Slides**.

[Open a Presentation:](#) Click **File** on the menu bar, select **Open**, then navigate to the file you want to open. Select the presentation and click **Open**.

[Rename a Presentation:](#) Click in the presentation name field at the top of an open presentation. Type a name and press **Enter**.

[Star a Presentation:](#) Click the **Star** button next to the presentation name. The file appears in the **Starred** section of Google Drive.

[Copy a Presentation:](#) Click **File** on the menu bar and select **Make a copy**. Enter a name for the copied presentation and specify the folder where you want to save it. Click **OK**.

[Move a Presentation:](#) Click **File** on the menu bar and select **Move to**. Navigate to the folder where you want to move the presentation and click **Move here**.

[Delete a Presentation:](#) Click **File** on the menu bar and select **Move to trash**.

[Print:](#) Click **File** on the menu bar, select **Print**, specify the print settings, and click **Print**.

Slides Fundamentals

[Search Help Topics:](#) Click **Help** on the menu bar and select **Slides Help**. Type a keyword or phrase in the Search Help field and press **Enter**. Select the desired help topic.

Edit and Organize a Presentation

[Insert a New Slide:](#) Click the **New slide** button on the formatting toolbar. Or, click the **New slide** list arrow and select a specific slide layout.

[Change the Slide Layout:](#) Click the **Layout** button on the formatting toolbar and select a slide layout.

[Copy and Paste:](#) Select the slide, text, or object you want to copy, click **Edit** on the menu bar, and select **Copy**. Click where you want to paste the element, then click **Edit** on the menu bar, and select **Paste**.

[Cut and Paste:](#) Select the slide, text, or object you want to cut, click **Edit** on the menu bar, and select **Cut**. Click where you want to paste the element, then click **Edit** on the menu bar, and select **Paste**.

[View and Edit Speaker Notes:](#) Click **View** on the menu bar and select **Show speaker notes**. Add or edit the notes in the pane at the bottom of the window.
