What Makes a Good Leader?

Successful leaders often share certain characteristics like:

- ✓ Confidence in your abilities and your team
- ✓ Decisiveness even in the face of disagreement/uncertainty
- ✓ Ability to delegate tasks
- ✓ Inspires and motivates to perform the best
- ✓ Honesty and integrity to uphold high standards
- ✓ Clear vision and strategy for well-laid plan

5 Core Leadership Skills

Master effective **communication** for mutual understanding.

Harness **emotional intelligence** to strengthen team relations.

Make **strategic decisions** for clear direction.

Address conflicts to resolve disagreements.

Know **delegation essentials** to enhance productivity.

Importance of Employee Engagement

Engaged employees exhibit enthusiasm & commitment to go the extra mile:

- Build strong relationships
- Provide regular feedback
- Empower your team
- Align individual goals with organizational goals
- Promote work-life balance

Leadership Theories

Various theories have emerged, each offering distinct perspectives on what makes a leader effective.

Great Man Theory

Leaders are born, not made. During times of challenges, extraordinary individuals naturally rise & demonstrate exceptional leadership qualities.

Trait Theory

Suggests that individuals with traits, like confidence, ambition, & decisiveness, are more likely to become successful leaders.

Behavioral Theory

Leadership can be learned & developed through observation, experience, and practice.

Contingency Theory

Different situations require different leadership approaches.

Transformational Theory

Exceptional leaders inspire & motivate their followers to go beyond their self-interests for the collective good of the organization.

Servant Leadership Theory

Centers around leaders who prioritize the needs of their followers and strive to serve them selflessly.

Leadership in Innovation

Create an **open, failure-tolerant** culture that rewards innovation.

Provide your team with essential resources

- time, money, or tools for creativity.

Foster a **diverse group** for varied perspectives and enhanced problemsolving.

Encourage **collaborative brainstorming** and idea sharing.

How to Motivate Teams

Motivation can be classified into two main types: intrinsic and extrinsic.

- Intrinsic motivation comes from internal factors and is driven by personal enjoyment, interest, and a sense of fulfillment.
- Extrinsic motivation stems from external factors like rewards, recognition, and punishment.

Motivation Strategies:

- Foster autonomy
- Offer rewards

- Encourage learning
- Celebrate achievements
- Provide meaningful work
- Promote a positive work atmosphere

Cultivating Ethical Leadership

Ethical leadership involves setting a high standard for right behavior and leading with integrity and transparency.

Lead by Example: Show your commitment to ethical behavior in all your actions and decisions.

Promote Transparency: Be open about your decisions and the reasons behind them.

Encourage Ethical Behavior: Reward ethical behavior within your team and promote a culture where ethics are valued.

Provide Ethical Training: Everyone in your organization must understand what ethical behavior looks like and why it's important.

Incorporate Team Building

Team building is about creating a stronger, more cohesive team that communicates well, trusts each other, and works effectively towards shared goals.

- 1. Regular Team Building Activities: Start with a monthly game day or an annual off-site retreat.
- 2. **Diversify the Activities**: Like cross-functional projects, brainstorming sessions or innovation workshops, and team problem-solving sessions.
- 3. **Involve the Team in Planning**: Get input from your team on what types of activities they'd enjoy.
