

“ I did a demonstration today of our new Online Learning and the response was wonderful. It's a hit! I was proud to offer CustomGuide's material. Everyone was impressed with the features and the ease of use. What a terrific product you have!

Gilead Sciences
Wendy Schultz

“ We love the 12-15 minute learning modules. They allow our learners to begin using the newly aquired skills right away.

BOK Financial
Erma Roquemore
HR Manager

“ CustomGuide's easily adaptable courseware [has] met my needs and the needs of many higher education institutions.

St. Cloud State University
Brad Grabham,
Technical Training Coordinator

“ My students LOVE the courses I made with CustomGuide! I am immensely pleased with the product and have saved really hundreds of hours of design time. I'm learning so much myself in putting this all together that I'm much more productive.

Minnesota Department of Revenue
Brian Thompson

“ CustomGuide, in my opinion, seems to present the material in the best way to make it easy to learn.

NASD
Phil Buckberg
Talent Develoment

“ We were delighted when we found CustomGuide! We recommend your software to people everywhere. We describe it as an appendage to our training department.
